

Chemical Name: Carpet Static Eliminator

Manufacturer: SSS Anti-Static

Container size: 16oz.

Location: VLA

Disposal: Place empty container in trash.

MATERIAL SAFETY DATA SHEET (Prepared According to 29 CFR 1910.1200)

The health hazards given on this Material Safety Data Sheet apply to this product in its concentrated form(as supplied) and may differ significantly at use dilution. The signs and symptoms of overexposure apply only to negligence in handling or misuse of the concentrated product and not to the routine exposure to the product, if diluted, under conditions of ordinary use.

ANT!
